Triangle Women's Tip-Off Luncheon – Oct. 10

Triangle Basketball Tip-Off Luncheons have become an annual tradition in the region. This year's Tip-Off, which supports and celebrates women's sports, features our area women's NCAA Division I Basketball Head Coaches, and, as always, it is expected to be an informative and highly entertaining event. Coaches Sylvia Hatchell of UNC, Joanne McCallie of Duke, Wes Moore of NC State, and Trisha Stafford-Odom will participate on a panel moderated by WRAL-TV Weekend Sports Anchor, Laura Dunleavy. The coaches will provide a preview of the upcoming season, sports and business leadership tips, personal insights and reflections, and much more in a fast-moving program that is an audience favorite. The 2018 Triangle Women's Tip-Off Luncheon will take place Wednesday, October 10, from 11:30am to 1:30pm at the Sheraton Imperial Hotel, 4700 Emperor Blvd, Durham, NC 27703. Masters Swim Camp Marks Its Eighth Year

The present-day United States Masters Swimming High Performance Camp had its beginnings in 2011 as the very first event in the Greensboro Aquatic Center. Amidst the hammering and welding of the final stages of construction of the GAC, a valuable new experience for adult swimmers from across the U.S. and around the globe was born.

This year's camp marked the eighth year and, thanks to the exceptional camaraderie and mutual support of the campers and coaches was one of the best camps yet! Led by Head Coach, Bill Meier, and Assistant Coaches, Trey Taylor, Lisa Brown, and Mike Hamm, participants were instructed, drilled, and tested on everything from stroke mechanics to nutritional habits. When asked about her experience at the camp, Emily Cook said "The coaches saved my freestyle technique, and possibly my swim career. I'm so happy that I came to HPC. I see HPC as an investment in myself that has already paid off, and I can't wait to see what else is possible for me now."

The application period is now open for the 2019 USMS HPC. Those applying and making an initial deposit before the end of this year will receive \$200 off the camp fee. The 2019 application is available by visiting <https://www.trianglesportscommission.com/usms-hpc/>.

Cricket World Cup Qualifying Tournament in Morrisville

For the first time in North Carolina history, the Triangle hosted a Cricket World Cup Qualifying Tournament. Held at Church Street Park in Morrisville, which features the only international-size cricket field in the state. The qualifier included teams from the United States, Canada, Belize, and Panama. The United States and Canada were the top two finishers and now advance to the next round of the Cricket World Cup qualifying. The Tournament was hosted by the [Triangle Cricket League](#), and assisted by Mark Stohlman, former Mayor of Morrisville, and an avid cricket player and supporter. The Triangle Sports Commission and Systel Business Systems helped sponsor the tournament.
